

COMMUNIQUE REGARDING PHASING OUT/DISCONTINUATION OF EDUCARE AND ENGINEERING STUDIES N1-N3

Staff, Students, Stakeholders and Parents/Guardians

Goldfields TVET College hereby communicates the phasing out/discontinuation of the following programmes:

PROGRAMME	LEVELS	DATES
Educare	N4 – N6	No new N4 enrolments from January 2024
Engineering Studies	N1 – N3	No new N1 enrolments from January 2024

The Department of Higher Education and Training has communicated with Colleges to put in place plans to phase out/discontinue the above programmes. This change is necessitated by the changing landscape of the TVET Sector which demands of Colleges to implement programmes that are relevant and responsive to the needs of industry and communities.

Students who are already enrolled in these programmes will be allowed limited time to complete their levels. A Teach Out Plan with full details will be shared in due course.

Tentatively the following arrangements (subject to change) will be followed:

LEVEL	FIRST OPPORTUNITY	SECOND OPPORTUNITY
N1 Repeaters	Trimester 1 2024	Trimester 2 2024
N2 Repeaters	Trimester 3 2024	Trimester 1 2025
N3 Repeaters	Trimester 2 2025	Trimester 3 2025

In the meantime, students are urged to work hard and complete their qualifications on time to avoid putting pressure on themselves.

Thank you.
